Synopsis

Learn to confidently recognize and manage more than 300 dental instruments with Dental Instruments: A Pocket Guide, 5th Edition. A unique flashcard-style format pairs descriptions with high-quality photographs and illustrations. A pocket-sized, spiral-bound format makes for quick reference.Ã Â This edition also features content a new chapter on patient monitoring equipment and new content on facebow equipment, dental imaging devices, nitrous oxide equipment, and more to support expanded duties in dental assisting. With its portable and highly visual nature, Dental Instruments is ideal for both studying and for chairside reference. More than 450 high-quality photographs and illustrations include both full and close-up views to enhance your ability to quickly and accurately identify dental instruments.UNIQUE! Flashcard format makes it easy to assess your knowledge of dental instruments.Practice Notes and Sterilization boxes help you ensure compliance with common practice standards and state regulations.Well-organized format includes a text description of each instrument along with its name, functions, and characteristics. Chapters move from basic instruments into those used within specialty areas of dentistry.Pocket-sized, spiral-bound design provides easy, at-a-glance access to key information.

Customer Reviews

I have to get this "pocket" guide for my dental assistant program. I was expecting a small book because said pocket guide but is not small at all. Again I got a brand new book instead of a used book. I’m happy with this buy.

Great book. Comes with its own code to use on the website and quiz yourself. Overall pleased with this purchase.

BUY

just as described

Good buy, quickly received

Great

I received my book yesterday and I'm in love! Definitely not POCKET size! But it will do!

I love the Dental Instrument book it is really helpful and very easy to understand and read, it arrived on time and it was in perfect condition.
