"BOOK OF THE MONTH... There is a great deal of information in this hardback and its accompanying multi-media learning aids." BDA News, October 2009

It was in condition as described the by the seller. exactly the book I needed for my Red Cross Dental Assisting course!

Same information as the newest edition! Just a page or 2 different when they say turn to this page in class, but u save sooooo much more money with this edition

The book arrived on time and in the listed condition. It was the correct textbook and came with the CD’s which both work great. The best part is that I bought it through ’s price comparison.

The book was a old edition. A major waste of money

GOOD

Thanks
