Wonderful selection for tween/teen girls who have outgrown basic show tunes. Ordered based on suggestion of my 13 year olds music teachers recommendation.

ordered these for my girls - they arrived

Good content for young vocal students needed practice and audition pieces

Music is good, words not suitable for younger singers.

I liked this series so much that I bought it as a Christmas gift for a student. Can’t wait to dip into it with her.

Bought for my teenage daughter, highly recommended by her voice teacher.

Love this book! Great music!
