Customer Reviews

These lesser known stories of Brer Rabbit are performed in the silky and sinister tones of Eartha Kitt. They are magnificently done in standard English (not in the more familiar dialect of Joel Chandler Harris). Kitt seems to have enjoyed every minute of the lore of Brer Rabbit's tricks and triumphs over Sis Jaguar, Brer Tiger and Sis Cockroach, to mention only a few. A few bars of music separate each story and give the listener a chance to prepare for the next treat. The fifteen short tales will amuse and entrance listeners of any age. P.L.
