Synopsis

This outstanding collection of 250 images by artist Madeleine Orban-Szontagh accurately depicts the bold designs of Indian arts and crafts of the American Southwest. Clearly drawn in detail, easily reproducible, all copyright-free, they will provide artists and craftspeople with a rich and inexpensive resource of authentic motifs for use in many different types of projects.The designs have been taken from Hopi ceremonial dress, Zuni shields, and Anasazi pottery; Navajo jewelry, rugs, and sand paintings; designs of birds from ancient Pueblo pottery; and many other sources. This fascinating collection is one that designers and craftspeople will find essential for their design libraries.

Customer Reviews

Great book for my needs, but also very educational as well. Design graphics are clean, well drawn. I have used this book as a reference guide for doing different areas of my home in a Modern Southwest design theme.Will be making a large scale southwest designed "Dream Catcher" for my great room bridge wall that faces the main portion of the room. Looking forward to my winter project.

Purchased as a gift.

This book is useful for just about anything from tatoos to home decorating. It’s a great find and makes a good gift.

This book is designs only, in black and white, very little text reference. It could be a good book as a supplemental design for southwest decor artist, but not recommended as a starter. The designs are clearly drawn and good size. Not recommended as a "must have" for southwest native american designs.

Great images for wood burning onto gourds. Images can be copied and resized to fit any surface. Recommend for any artist, designer, quilter.

This book ws interesting, and it did have quite a bit of information on the subject. Somehow I think that it could have given more information on the designs.
