Synopsis

Make your journey to Australia the best possible The sunburnt country is a land of contrast. A place which has both tropical rainforests and unforgiving desert. There are roads where you can drive for days without seeing a soul that end in peak hour traffic and bustling cities. If this is your first time in Australia, you should plan your trip in detail. If not, you most certainly will miss out on some of the best places to be at and things to see. This audiobook will help you to make the most out of your time in Spain. You will get to know the most fascinating things to do and see in Melbourne, Sydney and Brisbane to name a few of the most beautiful locations to be at. This audiobook provides some unique suggestions and will help you to make this the best time of your life. Here is a preview of the tips you will get in the audiobook: Enjoy Bondi Beach in SydneyThe Royal Botanical Gardens of MelbourneTasmanian BeautyParliament House in CanberraMuch, much more!

Customer Reviews

My love of travelling brought my attention to this awesome book. And I am on my way to Australia. I know what I have to see there like rocks on Sydney, street art in Melbourne, crocosaurus cove in Northern Territory, the swan valley, Royal Australian mint, War memorial in Canberra, Barossa valley in Adelaide, actually I have a plan to spend a nigh there.If you love to travel this book is a perfect solution to meet Australia

We wan’t to travel and Australia will be our next destination for our vacation. My friends told me that

Australia is one of the nicest place they have been. t wan't to know places first before going to that country. This book is a good source to know about Australia, the different place, hotel and cities you need to visit, and they have a ride the puffing billy ride that i will sure try. A good guide book.

Australia! I'm dreaming to visit this beautiful country! It's a good thing that I got this travel guide book before I go there so I can have a lot of information first on where to go. It will help me save time and be able to explore the best places! This travel guide book had been completely helpful and relevant!

I appreciate reading this book due to the detail wherein I can make the most of my stay at Australia. I was planning to visit Australia and this book is our visit manage by any means. We need to see the magnificence of Australia. Recommended to all.

This publication has 43 larger print pages. Although written in the first person, no author is noted. No publication information is included. No publisher, No copyright. Very odd. The quality and quantity of information included is dismal.There are no pictures or maps. There are no details, addresses, etc. Proof reading step must have been missed also.

Wished I had listened to the other reviews. No valuable information in this book; just a few sightseeing place suggestions and even those were minimal. What a waste of my money! should be ashamed to offer this "book."

I found it to be little more than a pamphlet and a waste of money. Not much information in this short "book" as there are only 41 pages of content (including the Table of Contents) and it is in large print. Brief searches on the internet would be more useful.

I didn't realize this was only 43 pages of information easily found on the internet. Do not purchase this under any circumstances. It is a waste of money. I will get a refund if I can.
