Awesome book! It’s not what I thought it would be, but it’s beautifully done! (I should have read the description, I thought it was a price guide).Very beautifully photography, and more products than I thought Coca-Cola put out! Very happy with this purchase!Yes, I recommend!

It is a good book, but wish it would show more items with pictures

Beautiful pictures, but Price Guide Needed. Used as a gift

I gave this as a gift without really studying it so not sure how useful it is. The recipient has not reported back. It looked like a good resource though.
