Customer Reviews

As a music teacher and vocal coach, I can't recommend this book highly enough. It contains their big hits as well as relatively unknown works from unknown musicals that are real gems. The piano arrangements are wonderful, because Mr. Flaherty is a great pianist and knows how to write for pianists! I'm very glad they updated the cover as I had the older edition and the picture of them was not flattering. This book should be in the library of any musical theater enthusiast!
