Perfect for the Pinkalicious lover in your life. My 6 year old recently discovered Pinkalicious books and she has been in love with them. This one is great for Kindergartners and beginning readers using sight words. I would buy the "I can read!" books again.

They’re cute. It harder to read for beginners. Pete the Cat uses more of their sight words helping kids become more comfortable with reading

this is my favorite book to give to my grandchild

cute books

fun read

love these books too

The story was very cute. The story goes through Pinkalicious’ day of being sick and having to rest in bed while getting better. My daughter loves Pinkalicious and we have several of the books. Would recommend this one.
