I received Thanksgiving Joy as a gift and I loved it so much that I ordered four more copies to share with my friends and neighbors. I plan to use one copy for a hostess gift at Thanksgiving. I loved the stories and poems relating to Thanksgiving, and especially the personal touch that the author included about her recipes. It’s beautifully written and a Joy to read.

This lovely book covers everything about Thanksgiving that you could possibly want to know. It includes history, traditions, recipes and so much more. This beautiful book that will take its place of honor on my coffee table during the autumn season for all to enjoy!

In the rush to celebrate Christmas, Thanksgiving has taken a backseat in American society. Not anymore. Teresa Lynn puts a much needed spotlight back on Thanksgiving with this delightful book filled with mouth watering family recipes and a compilation of games, stories, and traditions. She's even included a timeline starting the first week of November to prepare your home for this most important holiday and a song playlist to set the mood. Also included are stories and poems that are read-aloud worthy. A must-have book for your holiday collection.

Thank you so much! I can't wait to read it and pick up a few ideas to work into our Thanksgiving.
