Customer Reviews

Coloring is not just for kids anymore. When growing up in rural Montana, in a income limited family, we did not have many toys. One thing we did have was the ability to color. Adult Coloring Books allow us to go back to fond memories of a enjoyable time. The added benefit of Inspirational Quotes adds to this enjoyment and creativity.

Great book will definately be buying more from her

This is a wonderful spiritually-minded coloring book. I plan to use it for some women's' church activities.

Interesting pictures are sure to challenge the best colorist.

Beautiful pages to color and read. Lots of fun stuff here.

Bought this book for my sister and she loves it

as expected! What fun!

Love the coloring pages but I wish I could easily tear them out because the book doesn't lay down nice so its hard to color unless you take out the page
