Synopsis

Book 7 of the More Than Friends Gay Romance Series Each book may be read as a stand-alone. Reading in sequence is not required. Brad spends his days swinging a hammer and his weekend nights pouring drinks just to keep his nose clean. At only twenty-one, he's already had enough trouble to last him a lifetime. But when he realizes the boy upstairs has new injuries that coincide with loud shouting matches from that apartment, he knows he has to do something to help.More Than Friends #1 (Free) More Than Friends #2: Drunk in Love More Than Friends #3: Choosing Happy More Than Friends #4: Just Stay More Than Friends #5: Hands On More Than Friends #6: Best Chance More Than Friends #7: My Name is LukaMore Than Friends #8: Finally FoundMore Than Friends #9: Looking For HomeMore Than Friends #10: Choosing Us

Customer Reviews

This was an excellent book and good story of love. Although the story line can get a bit boring at times, when the stories continue with other characters in newer books in the series, it kind of makes reading each one worth it. I rather liked this book and found the story is well written and it's even

proof read to correct any mis-spelled or wrong words (or mis-pasted words by spell check).However, as with all of Aria Grace's books, I can do without the 2, 3 or more graphic and detailed sex scenes. If I wanted to read PORN I'd find other kinds of books! Also, the books in this series aren't that thick, only 282 pages, so I'm glad their only around 10 bucks. I'd be pissed if I spent 15 dollars for a novel I find online and get a little more than a short story.

This is my favorite book in this series so far. I adore Luka as a character, and although this book has some dark moments, they are well done, painful enough to make you feel like crying, but not over the top with the violence like some books I've read. I really enjoyed everything about it. Aria Grace is an excellent author.

Love this whole series and Luka was worth the wait! Already placed my Pre-order for the next in series. Thank you for another beautiful story.

Luka you made me cry for you! Brad you are a sweetheart! Loved the story, suspense, love of a good man, bad dad. Aria knows how to weave a story! Legal troubles, getting to know each other, awww.

After receiving the wrong copy with my preorder and getting " help" to get the updated copy I am ridiculously happy with the story!!!! It was perfect, and I can't wait for the next one in the series!Side Note. I am wondering if the song "My Name is Luka" by Suzaane Vega was used as inspiration

Most positive thing I could say is that this is almost passable in a lost kind of way. Not really romantic and I still have no real feel for the main characters. Didn't enjoy.

My Name is Luka is a touching book about a young man who is weeks away from his 18th birthday who can hardly wait to escape his physically abusive father.After one beating that caused a mild concussion his downstairs neighbor who is 21 takes him in and helps him recover from the concussion. After a second literal whipping almost to the point of death Luka, the near-18 y/o, is taken my Brad, his friend and neighbor, to a couple who volunteer at an LGBTQIA homeless youth shelter.I must congratulate Brad on his self control because he refuses to do anything untoward until Luka turns 18. Luka gets the best birthday present ever. Not just great sex but a life-partner.I recommend this book. Aria Grace is never shy on taking on the tough topics that face the LGBTQIA

community and the greater community at-large.

This book was so good, and just like the others in the series, it doesn't disappoint. The original file was short, but I noticed the author reached out on her various sites to say that she accidentally uploaded an incomplete file (so if you received a copy that seemed unfinished, you may need to download the most recent version). The author replaced the bad file with a good one and the story is awesome!Luka's story is a darker read as he is a teenager suffering abuse at his father's hand. I found this really drew me in as a reader because I couldn't resist staying up to find out what was going to happen next! Definitely another favorite of Aria Grace's! I can't wait for the next one!
