Southwestern Desert Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you’re on a nature hike or in your own backyard, you’ll want to take along a copy of this indispensable guide. The Pocket Naturalist(tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. (31/2 X 81/4 folded, opens to 22 X 81/4, color illustrations, map)

Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also

authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, KavanaghÃ¢â ¬â„¢s path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution.

It was what we were looking for, but thought it was more of a book than a pamphlet. That was not explained in the description. Wanted a book with more detail, this does not have that.

Very helpful.

This is really nice because it contains more of the "area specific" birds that I wanted to know. Good job...
