Customer Reviews

The Navy Hardcover

This is a great gift for sailors. We put it on a stand on top of a bookcase, and it’s a good conversation starter. There are many excellent and accurate pictures, and the passages are neat. Not something to read cover to cover, exactly, but a good book nonetheless.

On time and very informative BIG book. Thanks

This book is BEAUTIFUL

book was a bit too misused. I probably should have chose a newly selection, but all the information that I need was present and readable.

A real bargain.

MY HUSBAND LOVES IT HE LOOKS AT EVERY DAY.

Pleased.

Well composed
