very sweet books gave it as a shower gift

Really nice book

Adorable book! Very well written!

Grandson loves it

This is a great book for very young children

Purchased along with "Thank You, God, For Daddy" to give to 3 year old grandchild. Book is hard board pages so that little ones can turn pages without risk or tearing. Cover is padded and this gives the book more appeal. Message rhymes and is fun to read. The price is definitely right and I would purchase more books by Amy Parker.

Book has a large wrinkle down its length. While it’s a cute book, I bought it as a gift, and I don’t want to give a gift that looks like that.

Love this book! This is one of my daughter’s favorite books. It is such a sweet book. The books reads well and it flows nicely. I would definitely recommend this book and Thank You God For Daddy to anyone.
