Wow! You think you know your Bible pretty well? Start going through the quizzes, etc. in this collection and you might be surprised. This book is very well researched and, in my opinion can be fully trusted on its' content. Whether you want to just have some fun or use this as a tool for your ministry it would be very difficult to find so many facts packed into any other book.

This book is very well organized, the questions are smartly targeted and as the title states, it's MASSIVE. Quite obviously this was a labor of love and even though I just started Volume 1, I already know I'll be buying Volumes 2 & 3 when I'm finished.On a personal note to the author, looking at the quality of the material and the 3,400 questions that your three volumes encompass, I

would very much like to talk to you about the possibility of turning the books into a video game. If you are reading this, please let me know if this is something that might interest you.

This collection of Bible trivia questions (with included answers) has helped make learning Bible facts fun and easy for all ages. Questions range from easy to difficult so every age group and experience level is challenged. A great ice breaker for family devotions, Bible study groups, or Sunday School classes.

Love good Bible Trivia. It inspires bible study.

I use these quizzes for fillers in our church bulletin. It's proven to be very helpful.

Keep up the great work excellent reference materials,

Love these books! Great to use for Sunday school class and for myself! I can see how much I really know....I only wish they were offered in paperback, I still like the old book way.
