Synopsis

She grew up in a world where women were supposed to be quiet. But Malala Yousafzai refused to be silent. She defied the Taliban's rules, spoke out for education for every girl, and was almost killed for her beliefs. This powerful true story of how one brave girl named Malala changed the world proves that one person really can make a difference.

Customer Reviews

Rebecca Langston-George is a middle school language arts teacher who also trains teachers in writing instruction.Ã Â Her articles, poetry and puzzles have appeared in many childrenÃ¢â ¬â„¢s magazines. When sheÃ¢â ¬â„¢s not at the keyboard Rebecca volunteers for the local chapter of the Society of ChildrenÃ¢â ¬â„¢s Book Writers and Illustrators (SCBWI).Ã Â She is also a past president of the Kern Reading Association.Ã Â The granddaughter of a fabulous flapper, Rebecca lives in Bakersfield, California.Janna Rose Bock is a freelance illustrator in Long Beach, California. She earned a BFA in illustration from California State University, Long Beach, and later continued her education at Concept Design Academy in Pasadena. She specializes in digital illustration and whimsical stylized illustrations.

I love to teach my English language learners all about Malala Yousafzai's brave fight for the right to education for all. This book does a good job explaining her story, with illustrations accompanying the text. Suitable for read-alouds by the teacher, as well as independent study for both fluent readers and ELL students from grade 3-9, as the language is accessible and interest level is high.

Well written. Nice illustrations. Kids ages 5yrs to 11 yrs all found it interesting.

Amazing book for elementary students to showcase women empowerment, culture, education around the world, and teach how powerful people can be together.

My students absolutely love Malala, and her story. This book is so much more accessible to the younger ones, but also provides a beautiful way of sharing her story to those who are older as well.

Excellent

8 yr old daughter loves this book!

loved itmy students loved it too

Just like in the presentation picture!
