Synopsis

The Belwin Student Instrumental Course is a course for individual instruction and class instruction of like instruments, at three levels, for all band instruments. Each book is complete in itself, but all books are correlated with each other. Although each book can be used separately, all supplementary books should be used as companion books with the method.

Customer Reviews

very very good first book for a student. Highly recommended. Much better than rubank or the other beginning books k

These books are good for beginning students. Good lessons.

These are good learning books. Good lessons.

Required by private tutor - decent book - none of the songs are favorites though :o)

Faster than I imagined, very good

Our flute instructor recommended this - and we got a better price than theirs!

My granddaughter’s flute teacher prefers this method of flute instruction.

Excellent book.
