Customer Reviews

Great product, thanks.

I bought this book for my brother who is currently learning to play tenor saxophone. The book came in excellent condition as promised and in a timely manner. This line of instrument instruction books is a great way to teach yourself or anyone how to play any instrument. It is easy to read, follow, and understand.

I am a beginner saxophone player and this book was recommended to me by my music teacher. This book is easy to understand and provides lots of information for a beginner player.

Required by my son’s elementary music program, was delivered quickly./
