Synopsis

Wise owls, feisty fighting fish, and delightful turtles are just a few of the 25 cute critters that knitters will enjoy constructing from this collection of addictive projects. Using EpsteinÃ¢â ¬â„¢s fresh approach to crafting stuffed animals, and her simple step-by-step instructions, knitters need only make a square (often with color work or quirky techniques), sew it into the designated shape, and stuff it! The results are adorable, and fun embellishments add rich detail and character to each creature.

Nicky Epstein is a prolific knitwear designer, the author of many bestselling books on knitting, and a popular teacher who travels nationally and internationally to lecture and give workshops on her unique knitting techniques. Her numerous books published by Sixth&Spring have sold more than 650,000 copies. She has created designs for many yarn manufacturers, and her work is frequently published in knitting magazines, including Vogue Knitting and Knit Simple. In 2005 she received a prestigious award from The National Needle Arts Association, and in 2006 her work was featured in a retrospective fashion show at the Museum of Arts and Design in New York City.

This is a wonderful book for anyone who wants to experiment in knitting in the flat, and then converting the piece into a great animal. All of the projects are great, but the dragon at the end of the book stole the show!

Qhow I finally was able to get a grandniece interested in knitting. " It"s only square ".

Very clever patterns. Seems easier than other animal patterns I've tried.

This is one I wish I had seen in person before buying. While the idea is great, NONE of the creatures are attractive. There are easier and better ways to make stuffed animals. Fail.

Great book! I am looking forward to making several toys in here for the grandkids. I haven't tried any yet, but so fun! This is way beyond other books I've seen with the same premise.

Alittle hard to follow how to fold and sew the squares, more pictures would have been helpful

I'm trying to stash bust bags and bags of yarn. I know that I will make many of these cute animals and they will be great gifts for kids. I can't wait to finish the projects I'm currently working on to get started on these. I love Nicky Epstein so this was a born winner.

Not so much- nothing there that really made me want to make it. The idea behind it is great, but it disappointed me.
