Lace up your boots and sample fifty-five of the finest trails that the northern foothills have to offer. Situated between low-lying plains and towering mountain peaks, the Front Range provides varied scenery and terrain. Choose from easy day hikes around Boulder, exhilarating summit ascents near Denver, wild-country explorations near Fort Collins, picnic outings near Estes Park, and excursions with the kids around Colorado Springs. Veteran hiker and outdoor writer Bob D’Antonio will introduce you to these and more.Inside you’ll find: up-to-date trail information; accurate directions to popular as well as less-traveled trails; difficulty ratings for each hike; detailed trail maps; zero-impact camping tips.Whether you are a day-tripper or long-distance hiker, old hand or novice, you’ll find trails suited to every ability and interest in the northern Front Range.

Bob D’Antonio is a professional writer and outdoorsman. His previous books include Mountain Biking Denver and Boulder, Rock Climbing Colorado’s San Luis Valley, and Mountain Biking Aspen, among others. He lives in Louisville, Colorado.

so fast, receive it next day , Great Price for a Very Sharp Bread product. as description. as a gift to my colleague, will purchase again.

This book is well-written and provides some helpful information, but it seems that the hikes are all relatively minor dayhikes, with only 3 or 4 highlighted near each major population center along the Front Range. I was hoping for a more thorough and complete list of hikes in my area, as well as the same for my neighboring towns.
