I ordered this based mainly on the verse which is one of my favorites. The Bible I got this for is thicker than most because its in large print and I needed the extra depth to hold it. Using the measurements of the Bible and the description, I thought this would fit very well. Unfortunately, I did not realize how little structure this cover has...it's very floppy and my Bible kept sliding around in it. It was so irritating that I gave it to a friend who doesn't use large print and she was delighted with it. Fortunately, I found another cover with more structure and the same verse on and the structure holds the odd-shaped Bible with room for a notepad and pen.

This is the bigger one but great to carry extra stuff in! I love it

Was too big for my bible, but they were awesome in refunding my money. Also, it's more of a hunter green not teal.

nice!

Super cute bible cover! I love it!
