A Story of LawyersÃ¢â Â¢Ã Â with Views from the Bench is the second book inÃ Â theÃ Â A Story of LawyersÃ¢â Â¢ series.Ã Â TheÃ Â seriesÃ Â was inspired by a multitude of attorneys that I have met and worked with over the years.Ã Â These lawyers are intelligent, dedicated, caring, competent professionals who devote tremendous amounts of time to their practice, their communities, and their profession.Ã Â I am extremely grateful to have had the opportunity to serve with them and become part of our outstanding legal community.Ã Â Ã Â To the lawyers, please allow this book to serve as acknowledgement and sincere appreciation for all that you do.Ã Â You are my friends, my mentors, my colleagues, and my profession.Ã Â Continue to lead by example and remember that children are watching.Ã Â

My friends are all LAWYERS and I am one, too.Ã Â I wrote a few stories about what we do.Ã Â A story of Lawyers is where our tale starts.Ã Â But there's more to tell, so I'm sharing in parts! It's my hope that you'll purchase a copy or two.Ã Â After all, dear attorneys, it is about YOU!Ã Â Get a few extra books for yourÃ Â STAFF and your FRIENDS.Ã Â And enclose it toÃ Â CLIENTS in letters you send.Ã Â Place aÃ Â STACK in your lobbies, your conference rooms, too.Ã Â Ã Â With theseÃ Â small simple steps we can improve world view!Ã Â Read!Ã Â Share!Ã Â Enjoy!

This is wonderful for children to gain an understanding of the judicial process! I've shared this with several attorneys. All have given glowing reviews and have ordered books for client gifts as well as placing it in there outer waiting areas. It's always terrific to relearn something you were taught in civic class decades ago! That was the case for me! Thank you Jacqueline for taking on this topic!
