Synopsis

George is so excited to go visit his friend RamiÃ¢â ¬â„¢s school! George packs a banana snack and is ready to have an adventure. And what an adventure school is! Between Circle Time, outdoor play, and the many toys and crafts, George is one happy monkey. But can a curious monkey make it through the whole day without getting into any trouble? Young kindergarteners and preschoolers-to-be will get a sense of what a day at school is like, helping them, too, feel ready for school.

Book Information

Series: Curious George

Board book: 14 pages

Publisher: HMH Books for Young Readers; Brdbk edition (May 16, 2017)

Customer Reviews

The Reys were born in Hamburg, Germany. Hans Augusto Rey (1898-1977) met his wife-to-be, Margret (1906-1996), at a party in her fatherÃ¢â ¬â„¢s home in Germany; when he first caught a glimpse of her, she was sliding down the banister. In their twenties and thirties they lived in Paris and in Rio de Janeiro, where Hans sold bathtubs in villages along the River. Eventually Cambridge, Massachusetts, became the ReysÃ¢â ¬â„¢ home and community. Throughout their lives the Reys created many lively books together, including SPOTTY, PRETZEL, and lift-the-flap books such as HOW DO YOU GET THERE? The manuscript of the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and CURIOUS GEORGE was published in 1941. Their incorrigible little monkey has become an American icon, selling millions of books and

capturing the hearts of readers everywhere. CURIOUS GEORGE has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS. Visit www.curiousgeorge.com.
