Stan and Jan Berenstain were already successful cartoonists for magazines and adult humor books when they began writing children's books. The first story starring the bear family, The Big Honey Hunt, appeared in 1962. Since then, more than 370 Berenstain Bears books have been published, and more than 300 million copies have been sold. Guess I should have read the reviews first... I was hoping this book would have a good moral lesson about going to bed. Not at all. This is very obviously not one of the original Berenstain Bears books. Very disappointing.

Got for my grandchildren. They love to hear the stories and these books have good life lessons as well.

Another good one for my daughter who doesn’t like to get in bed
