Synopsis

This pocket-sized guide identifies common American legal phrases and concepts and provides accurate Spanish translations. The book is divided into sections based on substantive areas of law including criminal law, family law, labor and employment law, personal injury and medical malpractice, immigration, bankruptcy, and business law. In addition, a handy pronunciation guide makes communication a breeze.

Customer Reviews

Great. Just what my daughter with a degree in Criminal Justice needs to advance her career objectives

What I find useful: the phrasebook offers translations in specific areas of law - such as contracts, bankruptcy and business law, which have been wanting. Unfortunately - it’s too short and some of the translations are literally translations and fail to communicate the concept. I’m hoping the ABA will expand the phrasebook and work with legal scholars from Mexico, Spain etc. to develop more accurate translations.

This was purchased as a gift for a co-worker. It is not really a book but more of a pamphlet.

Very easy to follow. I like that it’s divided into different sections of the law. I highly recommend it. Shipping was quick.Very favorable transaction.

It is a tiny book, easy to carry around, with everything you need. I am proficient in Spanish, but don’t get to use the language that much any more. This definately helps refresh my memory.

Love it, exactly what I wanted.

Very very helpful. Although wish it had a bit more details and categories.

IUse it in my office all the time (Iam a lawyer in a mostly Spanish -speaking community).Very useful book.
