This cd arrived on time and was shrink wrapped and put in a bubble envelope. My daughter loves anything Adventures in Odyssey. As a parent I like how they all have lessons in them and teach them how to deal with every day issues. They make it easy for the child to relate to the situation and teach them how to handle the situation and their feelings. My daughter listens to them every night as she is going to bed. We have recently had a few issues with some girls at school so I thought this would be perfect. You can’t beat that price either!!! If you found my review helpful please click like! Thank you!!
