Synopsis

Many Americans are citizens because they were born here. But not everyone who lives here is a citizen. Ease into the process of applying for citizenship with help from this informative volume. Accompanying photos and captions familiarize readers with the citizenship test, the character check, and many other facets of the path to citizenship.

Grade Level: 3 - 7

Customer Reviews

Gr 4-6-This solid series celebrates the diversity of the United States and explores the contributions immigrants have made to the culture and economy. Giving practical reasons for why the study of immigrant issues are important, the authors strive to put a human face on the subject of immigration and help readers think more deeply about the topics. Using clear, simple language, the series condenses complicated issues into easily understandable parts and provides information on relevant subjects, including how to become a U.S. citizen and the rights of undocumented immigrants. The texts are informative, though never intimidating, and full-color, captioned photos enhance the narratives. A valuable series.Ã Â (c) Copyright 2014.
