Customer Reviews

Savor the Flavors of SeattleThe Seattle food scene is a way of life. Foragers find mushrooms in the forests, nettles by the creeks, and sea beans by the ocean. Fish mongers and farmers take pride in their ingredients, and artisan cheese makers, butchers, chefs, chocolatiers, baristas, and roasters push the boundaries of the cityÃ¢â ¬â„¢s playful palate. In Food LoversÃ¢â ¬â„¢ Guide to Seattle, seasoned food writer Keren Brown shares the inside scoop on the best places to find, enjoy, and celebrate these culinary treasures. A bounty of mouthwatering delights awaits you in this engagingly written guide.With delectable recipes from the renowned kitchens of the cityÃ¢â ¬â„¢s iconic eateries, diners, and elegant dining rooms, Food LoversÃ¢â ¬â„¢ Guide to SeattleÃ Â is the ultimate resource for food lovers to use and savor.Inside You’ll Find:Ã¢â ¬Â¢ Favorite restaurants and landmark eateriesÃ¢â ¬Â¢ Specialty food stores and marketsÃ¢â ¬Â¢ FarmersÃ¢â ¬â„¢

marketsÃ¢â ¬Â¢ Food festivals and culinary eventsÃ¢â ¬Â¢ Recipes from top Seattle chefsÃ¢â ¬Â¢ The cityÃ¢â ¬â„¢s best cafes, taverns, and wine barsÃ¢â ¬Â¢ Cooking classesÃ¢â ¬Â¢ Complete coverage of Pike Place Market

Keren Brown is the creator of the Seattle food blog, FranticFoodie.com and the founder of Seattle Food Blogger Events and of a citywide series of food-related networking and educational events, Foodoportunity. Named “Doer of the WeekÃ¢â ¬Â• by MarthaStewart.com, she writes for SeattlePi.com and KIROÃ¢â ¬â„¢s MyNorthwest.com.Ã Â

I think that this is probably a very good and quite useful book. However, the publishers (or someone) made the terrible mistake of thinking that simply reading the text over into a digital format would provide a satisfactory Kindle version -- and it most certainly does not!! Throughout the Kindle version, there are references to page numbers and yet, in that version, there are no pages (just locations that are not the same). The index (which looks great) gives direction to pages -- which, again, don't exist. So, the only way to find something is to painfully flip pages until you find it. Certainly that isn't what a digital format should provide. In addition, the author refers to the web site for many restaurants and they aren't provided -- of course they should be and they should be active so one could get to the site merely by clicking on the reference. There is no excuse for producing an ebook that is almost useless.

I bought this book as a birthday present for my boyfriend and it's just great! I'm probably more excited by the book than he is but it suggests some really great restaurants and has an easy-to-follow format. I'd definitely recommend this to anyone looking to delve a little deeper into the Seattle dining scene.

Moving to Seattle in 2014 and this book is a must have for food lovers!!! It's been handy for research and we can't wait to try some of the places out!

If you love food and are or will be in Seattle, this is one to pick up. For visitors, It's a compact book and will fit easily in a travel bag or briefcase giving you a unique guide to all things culinary as you explore Seattle. If you live here, you will still discover great new foods, markets, restaurants, and recipes. The author has done a fantastic job of finding and documenting what makes this such a fantastic food city!!

my daughter lives in Seattle and this book was perfect for her, we own one also

Wonderful information.

Well-written, but perhaps not the easiest guide to follow. It’s great for newbies to town, not so much for those who generally know Seattle and are looking for a little extra insight. Also, it covered Bellevue (to the east of Lake Washington) and some destinations to the north and west, but generally ignored South King County and any spots in the Tacoma or Olympia area. This is typical of many guides to "Seattle" in general. The south Sound is probably considered too working class to receive any mentions, though there are very fine restaurants in this "invisible" region of the Northwest.

I initially purchased this book as a coffee table book. However, most coffee table books are glossy and sleek, and the pages of this book are not of great quality. Although it did not live up to my initial purpose for it, I find this book to be a superb guide for finding great places to eat when in Seattle. It’s turned out to be far more useful than it would have been collecting dust on my coffee table. I’m pleased with my purchase.
