A classic work by Dr. Seuss writing as Theo. LeSieg, with new illustrations by Joe Mathieu, about who has teeth, who doesn’t, and how to keep the ones you have! "From the Hardcover Library Binding edition.

THE STORY is brief and funny.THE WORDS are few and easy, and have a happy, catchy rhythm.THE PICTURES are clear and colorful clues to the text.An offspring of the world-famous Beginner Books, this Bright and Early Book is designed for an even lower age group.No matter how young your children are, Bright and Early Books will encourage their interest and delight in reading. After a little help from you, they’ll soon be saying, "I can read it all by myself!"

I love the Tooth Book so I wanted to buy one for my baby. I decided to get the board book so she can play with it and it does not get destroyed as fast but I was really disappointed to find out that the board book is a much shorter version of the actual book...

Was not aware that this was an abridged version. Still a cute board book that my two year old loves

My 2 year old is very interested in this book. I like it too, but it is a bit of a tongue twister to read out loud

My 2.5 year old daughter LOVES this book!! It reads very well and demonstrates the importance of brushing your teeth.

LOVE LOVE LOVE dr seuss! I love the fact that this is a board book so that my son can't ruin/ rip out any of the pages. I love the fact that it's silly and my son learned from it. It was easy to read to him, easy to show him the pictures, small enough to fit in his pack back and cheap enough that I didn't mind buying more once I seen the love that he had for this book! Going to the dentist isn't so scary either when dr. seuss has something to do with it!

I love to read my daughter these types of books aND this one fits perfectly into our collection

Cute. Not necessarily instructional but a fun little book.

The book I received was an older edition with different illustrations than shown on the book on . The older illustrations are done by Roy MkKie and are not as appealing as the newer edition illustrated by Joe Mathieu.I was disappointed to receive a different version than what was advertised by the picture.
