Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,264,398 in Books (See Top 100 in Books) #38 inÃ Â Books > Medical Books > Medicine > Medical Procedure #701 inÃ Â Books > Medical Books > Veterinary Medicine > Small Animal Medicine

Customer Reviews

My cat has kidney disease. This book provided details as to the impact of certain foods on her kidneys and helped me understand why a specific diet was crucial to her well being. Also a wealth of technical information as to the importance of a cat's diet was provided. These were real facts, not cat food brand hype and supplemented my vet's advice.

Best small animal nutrition book of all time! Dr. Lon Lewis is a living legend.

I have had several versions of this book. Being in the pet food business, I find it a must for understanding pet nutrition.
