Customer Reviews

The newly updated Trailer Life Directory RV Road Atlas was created by travel experts especially for the RVer! This is the only road atlas that shows all of campground listings found in the Trailer Life RV Parks & Campgrounds Directory, including allÃ Â of the Good Sam Discount locations, right on the map! Plus, find routes for oversized vehicles- perfect for driving an RV.

For over 40 years, Trailer Life Directory, the Official Directory of the Good Sam Club - the worldÃ¢â ¬â„¢s largest RV ownersÃ¢â ¬â„¢ organization, has published and distributed the most comprehensive and reliable family of directories for RV parks, campgrounds and services, as well as RV and travel-related books to enhance the lifestyle of recreational-vehicle enthusiasts.Ã Â Ã Â Ã Â

Gives a good summary of RV camping spots to fit with destinations.

Great Deal

Very easy to use and the RV parks are clearly pin pointed. It is a valuable tool for anyone traveling.

bought for backup, when there is no gps,, haven't used yet but it should serve the purpose of pre-planning trips from state to state...

I wanted something else but kept it. Good Sam makes different Trailer/RV park books and this one was not the one I was looking for. They are all expensive so customer beware and do your homework before purchasing. I will try and make this work.

A must have directory for all rver's during travel. Yes, you can use your GPS to locate campgrounds and you can find them on your computer. I still like this directory as a backup as I can sit down in the evening and program my next stop the following day and I can search at my leisure while sipping a refreshment. Some places just do not have WIFI available so this is a nice directory for that purpose.

Useful and very helpful. Would recommend to others to get to help with travel. like how easy to use, and see.

I found this atlas easy to read, shows which roads are good for RV's, and lays flat. I atlas gave an indication of where RV stops might be made and which places might be worth more investigation. I'm not sure I'd buy one ever year as roads don't change much and I do my own research before stopping at a camp ground or RV park.
