Synopsis

DK Eyewitness Travel Guide: Top 10 Devon and Cornwall will lead you straight to the very best Devon and Cornwall have to offer. Whether you’re looking for things not to miss at the Top 10 sights or want to find the top place to eat, this guide is the perfect companion, taking the best of the printed guidebook and adding new eBook-only features. Rely on dozens of Top 10 lists--from the Top 10 museums to the Top 10 events and festivals. There’s even a list of the Top 10 ways to avoid the crowds.The guide is divided by area, each with its own photo gallery and clear maps pinpointing the top sights. You also can view each location in Google Maps if reading on an Internet-enabled device. Plan each day with our itineraries and see the sights in individual areas. You’ll find the insider knowledge you need to explore every corner with DK Eyewitness Travel Guide: Top 10 Devon and Cornwall, now with a sleek new eBook design.

Customer Reviews

The organization of this book is weird and unhelpful. I hoped for and expected something much more in-depth and not so silly. I don’t plan my travel around this type of ranking of "attractions" and I

don’t need some editor to tell me what are the "best" or "top ten" of rather obvious and insipid categories of things in a rather wide geographical area. Traveling the English countryside pretty much necessitates a car and covering some distance, so inevitably a day’s travel plan will start with a consideration of DISTANCE and location, not whether a tea shop or scone is one of the 10 best in a rather large stretch of countryside. (Given the success rate of tea shops, most of those listed will probably be defunct by the time you arrive anyway.) And ranking cathedrals and museums in order of "best" is just inane. Most of them are not comparable and anyway, one’s particular interests determine what is "best."In addition, the pull out map is much too small to read without a magnifying glass and I have perfect vision! The supposed convenience of this miniaturization is completely negated by its unreadability.I have used this publisher’s Eye Witness Travel Guide to Great Britain for 10 years and recently bought the latest edition. I have found them most helpful for trip planning and recommend them without reservation. I expected something similar and more in-depth for the area of Devon and Cornwall and was very disappointed. I guess I missed the significance of the "Top Ten" title when I decided to buy this smaller guide!

This Eyewitness top 10 guide is a great place to start planning your trip. First, it gives overall highlights of the top 10 places to visit. Next, it breaks down each of the highlights into top 10 features. Also included: great walks, festivals, beaches, culinary specialties, cathedrals & churches, gardens, houses, museums, children’s attractions, pubs, shopping, & train rides. There are suggestions on lodging, things to avoid, and security and health. Also practical info such as transportation, customs regulations, electrical appliances, drivers license, passports & visas, currency, postal services and phone service. Included with this little guide is a pull-out map. Pictures are great.

Great book came in very handy.

This guide is the one to take on your trip. It’s small and thin, but equipped with sturdy pull-out maps, practical travel tips for the non-natives, regional highlight attractions, and even a few accommodation suggestions. The page layout is also appealing, with color photos on every page, and headings followed by numbered entries so you can pick out whatever most strikes your fancy in a flash.

This book with its great photos inspired a desire to visit the sites. It would be helpful to include

information on getting there.

An easy layout of information to determine quickly what a traveller wants to see/visit.

Was useful in deciding how to organize my vacation in Cornwall this summer.

I love the DK travel books, always high quality and informative. This is more of an abbreviated version of a guide book, but still provides enough information for you to plan your trip well.
