Customer Reviews

We are new to RVing and have found the Woodalls book a wonderful asset. It is easy to read and follow the amenities of each city and the RV parks there. What we found very helpful was the explanation of the surroundings, the scheduled activities of the area and maps to each area. Woodalls is a very concise accumulation of just about everything. Probably the best reference guide any traveler could purchase. Plus the cost for this much information is nominal when purchased from .

We travel often in our motorhome and have learned that Woodall’s North American Campground Directory along with the Passport America directory (50% off) are all we need to find great campgrounds anywhere we are. Woodall’s has great description and up-to-date information on hundreds of campgrounds. We wouldn’t leave home without it!

Good directory for what I need it to do...locate my campsites when needed or as needed. USA is bigger place with lots of places,,,
