Customer Reviews

I haven’t had the chance to read them butMountain bear baby by jk harperShane walker is a bear shifter who decide to start his life over and move back home.Jessie mcmillan had a passionate 3

night stand with a hot guy that turned out to be a shifter. Now she has a baby on the way and had to move to a shifter town to raise her son. But guess who is in the same town?Great story, some drama, it's a 2nd chance romance.Combust by v.VaughnOne if alisha's best friend in college is a werewolf and she found her mate. Her other bestie found her true mate and is now a werewolf. Alisha's wants her hot guy and happy ending so she goes and visits her friends at the wolf pack. And .....Yea lol I'll let you read all about it. Fun story, action, dramaBoth stories are great I can wait to read the rest of them

Great box set. Ladies, you made great choices on these stories! I already knew most of the authors, but had only read one before. New shifter world view, new series and new authors to me all made this a great set. And, come on, who can beat the price!

Bewitched by Moonlight by Deanna ChaseWow! Loved Phoebe and Dax. Can't wait for more of their story.You will be missing out if you don't read this!

Really enjoyed this anthology. Discovered a few new authors that I will definitely be checking out for their other books.

If you like reading paranormal romance, this is a must read. All of the contributing authors are the best at delivering a well written story.

Some stories were good, but others... Yikes!! ÃƒÂ Ã Å¸Ã ËœÃ Â

Volume Two ?? ÃƒÂ Ã Å¸Ã ËœÃ â . I am writing sixteen (16) more words because you said to . Does the period count? I will be 83 in November and love shifter books..... I know that is sixteen more words. Lol

An awesome collection of authors all rolled up in one boxed set. A great variety of stories to keep your imagination going.
