Synopsis

Taking a look at the ancient China, this work explores China's rich history, focusing on the origins of farming, legendary heroes, key military and political events, the powerful dynasties of early China, and the growth of cities. It also considers the culture, economy, government, and society of China.

Customer Reviews

Tony Allan is second only to Terence Conran as Britain's wealthiest restaurateur. He is worth an estimated 85 million, and rising all the time. His meteoric rise from fishmonger to the elite of British entrepreneurs speaks volumes for his dedication and skill as a chef, but also his uncanny ability as a businessman to spot an opportunity and maximize it to its fullest potential. He starred in the BBC2 primetime cookery show Tony & Giorgio, with his best pal Giorgio Locatelli, himself owner of the premier London eatery Lomando Locatelli.
