For courses in American Government Understand American politics from past to present American Government: Roots and Reform helps students view the issues facing the Unites States today through an historical lens. By presenting coverage of the origins of American government in tandem with material on contemporary political structures and behaviors, the authors help students see how what happened in the past can be used to understand what measures should be taken in the future. In order to boost student engagement with key concepts, the 2014 Elections and Updates Edition incorporates coverage of contemporary issues that dominate todayÃ¢â ¬â„¢s headlines, as well as the most up-to-date data. Also available with MyPoliSciLabÃ Â® MyPoliSciLab for the American Government course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what theyÃ¢â ¬â„¢ve learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyPoliSciLab does not include an eText. American Government: Roots and Reform, 2014 Elections and Updates Edition is also available via REVELÃ¢â Â¢, an immersive learning experience designed for the way today's students read, think, and learn.

Karen OÃ¢â ¬â„¢Connor is the Jonathan N. Helfat Distinguished Professor of Political Science and the Founder and Director Emerita of the Women & Politics Institute at American University. Before coming to American University, Karen taught political science for seventeen years at Emory University in Atlanta, Georgia, where she was the first woman to receive the universityÃ¢â ¬â„¢s highest teaching award. She has been recognized by several associations as the most outstanding woman in political science and public administration as well as by the Southern Political Science Association (SPSA) for her contributions to the discipline. She has served on the American Political Science Association (APSA) and SPSA councils and as chair of the Law and Courts and Women and Politics Research sections of the APSA. Larry J. Sabato is the founder and director of the University of Virginia Center for Politics. A Rhodes Scholar, Sabato has taught more than tens of thousands of students in his career at Oxford University, Cambridge University, and the University of Virginia. At the University of Virginia, Sabato has received every major teaching award, including the universityÃ¢â ¬â„¢s highest honor, the Thomas Jefferson Award. In 2013 Prof. Sabato won an Emmy award for the documentary Out of Order, which he produced to highlight the dysfunctional U.S. Senate, and in 2014, Professor Sabato received a second Emmy award for the PBS documentary based on his New York Times bestseller The Kennedy Half-Century. Sabato directs the Crystal Ball website, which has an unparalleled record of accuracy in predicting U.S. elections. For more information, visit http://www.centerforpolitics.org. Alixandra B. Yanus is Assistant Professor of Political Science at High Point University, where she teaches courses in American government and gender and politics. She is also co-director of the Women and Gender Equality (W.A.G.E.) Leadership Project. She holds a B.A. in Political Science from American University and a M.A. and Ph.D. in Political Science from the University of North Carolina at Chapel Hill. Her scholarly research has been accepted for publication in peer-reviewed venues including Social Science Quarterly, Politics & Gender, and Women, Politics, & Public Policy, and in book chapters published by Oxford University Press, CQ Press, and Sage.

as far as college textbooks go i am appreciating their laid back style that allows the student to read the text easily. this way the student is able to understand the material without first being taught it. also, this book is not as large as some other textbooks for other subjects i am taking, making it

easily portable, as well as an adequate amount of material to cover. alot of times i hate to buy a book when we only have time to get through part of the chapters in the book.

The book completely newww! I didn't expect too much about the status, and really surprise when receiving. I also was impressed by the way TEXTBOOKNOOK care for their customers and books. I received this book just after about 24h ordering.Special thanks!!

Print is very very close to the top off the page. Some pages are faded. Otherwise it's great!! :)

Upon entering my American Government class, my professor immediately let everyone know that the class would be everything but easy. He claimed that we should not take it as an easy A class and that in order to pass we would need a good American Government book that would cover everything from the types of government to the elections. He ensured that we purchase this book because he claimed that despite it not being the newest edition, it still covered everything he would teach. It arrived two days after I ordered it and proved to be one the most useful textbooks I've ever used, when my teachers notes did not thoroughly explain, I would turn to the book and it would explain everything I needed to know. I would recommend this text to individuals who are taking an American government course that focuses primarily on the election, due to 2016 being an election year, my teacher has chosen to focus on this. Definitely a good text to rent or own.

Thank for the expediency in getting this manual to me for school. Thank you so much!!

As a student who used this book, I found it to be very informative. For anyone interested in politics, it's a must have.

very thin pages. tears easily. my daughters american class isn't even using it in class. $100 down the drain.

The book was in poor condition. I was disappointed with the wear and tear of how it looked when I recieved it.
