## Customer Reviews

I was pleasantly surprised to find the book in wonderful packing material. As an avid book hunter, I take packaging and edition of book seriously. This time I wasn’t disappointed in either of them.The edition I rcvd is just the one i wished for. I will definitely look into this seller when exploring more books. Thumbs up !

An entertaining read but a bit convoluted. I did get absorbed in the story and enjoyed the medical

context.

It was a different storyline that was enjoyable and well written

This is my first Micheal Palmer book, but it won't be my last. The story was intriguing, the characters realistic and it kept me guessing right up to the last.

GOOD BOOK

A good read. Michael Palmer is a talented author and I have found most of his books have just enough intrigue to keep one's interest.

read it in no time at all, it was exciting and kept me going beyond the point that I wanted to stop.

I haven't read it yet but every Michael Palmer novel I have read has kept me on the edge of my seat so to speak and I simply love his novels!
