Synopsis

Imagine living an epic life - one that works for you.Super Accelerated Living will give you the tools to radically upgrade your life. This advanced yet practical guide details the next phase of manifestation for seekers who are already highly empowered. Where many are finding plateaus and paradoxes, this book provides a broader perspective that demystifies the mechanics of manifestation. How do you remain unswayed yet flexible? Excited yet relaxed? Determined yet free from attachment to outcomeÃ¢â ¬â •especially when desired results still seem distant? Bentinho Massaro clearly guides you through the mental challenges that appear just before a desire is about to manifest. Learn to maintain your desired frequency and effortlessly attract the experiences you seek. Super Accelerated Living helps you live these concepts, not just understand them.In the first weeks of 2015, author and spiritual teacher Bentinho Massaro gave a series of breakthrough meetings on personal empowerment and the spiritual application of the art and science of manifestation. The meetings were remarkable, intensely challenging, even lovingly aggressive at times, all focused on explaining how manifestation worksÃ¢â ¬â •and that it actually does work.Super Accelerated Living, distilled from the transcriptions of these meetings, provides a powerful manual for you to tap into your innate power to create the reality of your choice. This book is not a bag of tricks for manifesting a Maserati or a mansion (although it teaches you how to do that, too). It guides you to access your full creative powers through expanding your Presence-Awareness and your capacity for love, appreciation, gratitude, and service. Super Accelerated Living will give you the tools to radically upgrade your life. Are you ready?

Customer Reviews

As you are reading this review I wish it to be the perfect one for you. The one that touches you in such a way that you know this book is for you. Why? Because as I have experienced it, Bentinho's teachings provide the ultimate permission slip or key to un-locking the ever unfolding of your highest potential.I now experientially get that I am more than my body, I consciously raise my vibration and as a result of that I can consciously shift to a parallel reality of my choice.By taking a mere 2-5 seconds I drop all illusions and easily fall back into my baseline; Presence Awareness. I merged with my highest guidance and accelerated living has become my new normal. Also, the seeming paradox has occurred that as a result of completely focussing on my inner landscape and by ignoring all outer circumstances, I have truly experienced that you and I are ONE and have fallen completely in love with all of creation. To live from that inner knowing and to be fully aware of why we are here at this great transformational time changed everything for me.Happy travels!!!I Love you.XM#LiveYourDreams

If you are reading this then itÃƒÂ¢Ã â ¬Ã â„¢s because you are looking for further clarity/resonance as to what this book could give you before buying.All I can say from my perception is - itÃƒÂ¢Ã â ¬Ã â„¢s a ridiculously empowering read, exciting and a lot of fun, with moments of wow, awe, pauses of reflection and deep breaths ÃƒÂ¢Ã â ¬Ã â œ all wrapped in a pretty cool and relaxing hug.ThereÃƒÂ¢Ã â ¬Ã â„¢s nothing like diving in at the super deep end and then realizing its really nice and warm, why did you wait so long?I found it to be a very easy read, if I didnÃƒÂ¢Ã â ¬Ã â„¢t connect the first time to certain bits, re reading helped, enjoy and take what you resonate with each time ÃƒÂ¢Ã â ¬Ã â œ highly recommended.

This book offers very practical and detailed view on how to be a Creator in life. This book answers a lot of questions around the subject. Bentinho is very clear and has the ability to bring you into the feeling by the way he explaines things. It brings me again closer to my higher self and inspires me

to be unconditional about it. I love the part about parallel realities. That makes the creating and feeling to go with it so much easier! I would recommend this book to anyone interested in how to create your own life!

Only every once in a while will a book like this comes along and can change the way we think, see, and feel about ourselves and our surroundingsThe author is on a mission to help his readers to draw upon our innate power to create our own realities from a "Love-Light" perspective.Here is a small clip:"The Universe is an exact match to us as a collective.ItÃƒÂ¢Ã â ¬Ã â„¢s a match to you as an individual, as well, becauseyou choose the collective you are a part of, based onthe individual you are. As long as you give awayyour power, as long as you feel like a victim, as longas you feel like you have no control over your life,you will always generate the exact reflection of that,out of your own energyÃƒÂ¢Ã â ¬Ã â •an externalized reflection. "By taking a deep dive into the materiel, I can feel myself becoming more patient, more joyous, and less judgemental of my surroundings.This book is important for those who wish to improve themselves in some ways or simply learn how to take better creative-control of their lives. It may take a couple read-throughs if the material is unfamiliar to you, but it is well worth doing the work. I highly recommend this book to anyone that is open to learning more about how beautiful life can be.
