Customer Reviews

I ordered a used very good copy....the book was ripped and stained...the cover had a sticky residue on it...had to clean the book with a Clorox wipe and needles to say I had to use more than one to get it cleaned. If I didn't need to book for my class that started yesterday I would return it. I should have ordered a new book for the extra $20.00

Took a little longer to ship than should have but everything else is as it should be.

I have only briefly skimmed through the book and it has a great deal of value from an academic

sense. However, not many professionals have the time to review 500 pages.Instead I would recommend The Essential Handbook for Human Service Leaders. It is comprised of 26 chapters that are easy to read and highly practical. Each chapter is 3-5 pages in length and packed with tips and strategies that can be immediately implemented to maximize managerial performance.Visit [...]o view for yourself.
