Synopsis

Yes, you can draw! And Draw People in 15 Minutes will show you how. By the time you finish this book you'll have all the skills and the confidence you need to sketch people on the move or on the couch.Professional art instructor Jake Spicer takes you through every aspect of drawing from life, from sketching bodies in a busy public space to drawing a model from real life or a photograph. Carefully crafted exercises break down the drawing process into easily digestible parts, while step-by-step tutorials demonstrate how you can create a full-length portrait in just 15 minutes. With advice on everything from materials to use to how to get a person's proportions right, including how to draw hands, feet, and fabric, this is the complete course for anyone who's ever wanted to draw people.
