Over the years I have traveled throughout Central America relying on various guide books and The Insider Guide to San Juan Del Sur is by far the best! My family and I recently moved to San Juan del Sur and this guidebook has been essential to our move. It gives current and valuable information that makes your time here so much easier and more enjoyable. The detailed maps of the town, the beaches, and the market are one of a kind and so helpful for getting around. It’s obvious that the

information and advice in this guidebook comes from writers who really know the ins and outs of San Juan and want to support local businesses and help the community thrive. As a family, we reference this guidebook on a regular basis. It's like having your own personal tour guide right at your fingertips! Well worth the $7.99. You will enjoy reading about the community and culture and have an inside scoop into all the best beaches, restaurants, and lodging. I would highly recommend having this guidebook with you on your travels to San Juan!

About 5 years ago my wife and I vacationed in SJdS and so thoroughly fell in love with the place, we bought property there 2 days before we left. We had been to many other countries but we never felt the good love as there.

My husband and I just returned from our vacation to Nicaragua and we were SO GRATEFUL to have this e-book with us!! "The Insider's Edition to San Juan Del Sur" guided us through terrific hikes, delicious restaurants, and all the perfect beach spots. Were were able to enjoy the trip filled with relaxing evenings and gorgeous sunsets all thanks to the advice in this book. It is obvious that the authors have spent years of their lives connecting with the local community in order to acquire all the knowledge necessary to publish this book. I recommend this book to all people traveling here. Enjoy!

I actually used to live in SJDS but still find enormous value in this book. It is well researched, organized, and lets you decide how to make the most of your vacation. Whether you're looking for a volunteer vacation, great waves, rich history, ecotourism or just some good food and fun, this book will definitely help you maximize your trip.

Having visited SJDS I found this interesting, knowing I missed some of the interesting items, has me going back. Unfortunately, this is slightly out of date since some of the listings are no longer there.

My wife and I are shopping for a place to retire, affordably, by the sea in a place where life is slower, so of course San Juan Del Sur is on our list. This book is a great resource and one that we will refer back to time and again.We especially enjoyed the sections on where to stay and the different beach communities.Thank you for compiling this useful information in one place!

"Your book is so incredible. I opened it early this morning to read a few sections and found myself

immersed in it for hours. My friends and rental clients will love this. Incredible detail and so well written. Like someone else said, "I thought I knew the ÃƒÂ¢Ã â ¬Ã Å“lay of the landÃƒÂ¢Ã â ¬Ã Â•after living there since 2007 but I was bowled over. I have to go visit San Juan all over again.Literally (double entendre) fantastic.ÃƒÂ¢Ã â ¬Ã Â• Lonely Planet no longer rules!

This guide is exactly what I needed for learning about history, culture, beaches, food, accommodations and so much more in preparation for my trip. It is very relevant and practical for planning a trip. I highly recommend it.
