Excellent, a very uplifting and helpful book.

A wonderful book! I have my own copy for many years, this one was a gift fo a friend. It doesn't have to be read all at once; pick it up, read some and come back to it for more.

This is a most excellent book. Although written by a Catholic priest, it's message can help anyone who believes in God and the power of prayer. It is a joyful book meant to bring the love and joy of God into your heart and into your daily life. It is an easy but powerful read.

I particulary like the part where Jesus is asking us of all the various things that we could/should be praying or talking to Him about. Set to music and read aloud in our RCIA class it was a beautiful experience and taught the new people how they might approach praying.

I love this book. Father John Catoir writes in a simple easy to understand way which is perfect for

someone who wants to solidify his knowledge and understanding of entering into a proper and healthy spiritual life and relationship with God. He is the right kind of Roman Catholic Priest, who engenders the kind of attitude that is sorely missing in many of our clergy. He's down to earth and real, perhaps some day he'll be canonized a Saint for the great work he does in Patterson,NJ with the poor and for writing books that effectively communicate the meaning of God in our lives. God bless him!

A excellent book for someone who wishes to enhance one prayer life. It is also provides a good understanding on how to approach prayer and serves to correct a great deal of misconception about the subject matter. Very good tool for one that is struggling with prayer life. One of the best books I've read cos its practical and must say it has enhanced my relationship with God.
