I am voluntarily writing a review for this book I received through ARC.Dakota is at a strip club with her sister Dina who is getting married so this is her bachelorette party at a strip club. They were playing a game asking how many orgasms they have had. Dakota wrote 0 because she was still a virgin and never had an orgasm at all.Dina and her friends dared her to give it up to the next guy that walks through the door. Well it just her luck it was a guy she had a crush on in high school Owen. Owen by his friends was dared to get up on the stage and strip. He gets caught and thrown out. Meanwhile Dina and her friend Veronica approach Owen with a deal that he would have sex with Dakota.Owen thought to himself he would have done it for free but hey they were offering him money. Owen decides to take his time with Dakota because it’s her first time.Hot steamy sex! Will Owen pull a one and done leaving Dakota not sure what had happened. Or will Owen fess up to his attraction.Short Book

When Dakota finds herself in the midst of a dare at her sister’s bachelorette party at a local strip club, she should be embarrassed but- when that dare includes losing her v-card to the man and neighbor she has crushed on for years, it might be worth the embarrassment!Owen might be one to take on dares and the ladies, so when he Suits up as Santa to give the ladies a treat he thought this dare would be the best one of the night!Quickly he finds out Dakota’s sister has one for him that may be an eye opening game changer!Holy hotness! Skip the pleasantries and get right down to business! I am loving these hot shorties with bursts of all things fun and fabulous!Perfect little get aways when you need a break from reality!I voluntarily read an advanced readers copy of this book

This is a hot sexy story. Dakota has had a thing about Owen for years but little did she know that her sisters bachelorette party would end with her fulfilling a fantasy she's loved in her mind for years. When her sister said the next good looking guy that walks through the door will take her oral virginity an possibly her virginity in all ways did she know it would be Owen the man she had pleasured herself to thoughts of the things he would do to her. Will Owen reach her all about the pleasures of sex? Will he walk away after? Or will he decide she's the one? This is one hot panty melting romance story that makes you think dreams can come true. I loved that Dakota has always wanted Owen to be the man she would give herself too for the first time. And that Owen realizes what they shared is so much more than just sex. I can't wait to see what's next by this multi talented authir. I voluntarily decided to review this advanced reader copy because it's hot ,has a sexy piece of man candy and a fantasy any woman would love.
