Customer Reviews

Philip D. MoreheadÃ Â is theÃ Â editor of The New American Webster Handy College Dictionary and The New American Rogets College Thesaurus and the author of the New American Crossword Puzzle Dictionary andÃ Â The New American International Dictionary of Music. HeÃ Â is the son of late lexicographer and games expert Albert H. Morehead, the original co-editor of this book, who was the Bridge Editor of theÃ Â New York TimesÃ Â for over 25 years and the editor of many books on games.

Very good and handy little dictionary. I look up a lot of old or unusual words and have found just about everything in this book. I also like the little boxes on almost every page explaining differences is usage between similar sounding words. And they also contain interesting information of the origin of some words. Definitions are succinct and to the point. It is also the right size to thumb through quickly and find what you're looking for.

Exactly what I was looking for, everyone should have a dictionary handy. Especially, if you write or type anything regularly.

Know the word but can't quite get it from your mind to the page? Can't remember whether it is spelled with an "ie" or a "y"? How about that word than ends with "el', or is that "le" Are you pretty sure of a words meaning but you are not 100 % sure? Then this is the book for you.

My english Professor told me that I need to get a dictionary so that I don't misspell any words in the future. This is a great size and a good value for the money.

It's a dictionary, kind of wordy, but the plot will keep you entranced.

What I exptected.

What I like about this small but handy dictionary is that it has many of the features of an unabridged dictionary such as abbreviations, foreign phrase and words, gazetteer, forms of address, measurements, signs and symbols. Many of the words include its etymological background. The gazetteer is extremely handy giving precise and succent information.The section on "How To Use This Dictionary" contains valuable information that is most useful to the user.This dictionary is a good buy for the price.

These were gift items, arrived as promised and receiver enjoyed the book.
