Synopsis

Summary of Evicted by Michael Desmond | Includes Analysis Preview: Matthew Desmond’s Evicted: Poverty and Profit in the American City is a sociological study of evictions, housing, and homelessness in Milwaukee. The book follows the lives of a number of tenants and landlords in order to examine how access to housing affects the poor. Desmond also includes historical background, statistics, and research findings to provide context for his narratives. Shelter is central to an individual’s life, happiness, and stability. Eviction is hugely disruptive, and those who are evicted face loss of property, intensified poverty, and an erosion in quality of housing. Evictions also disrupt jobs, and may increase depression and addiction. It’s not only that poverty contributes to housing precarity; housing precarity contributes to poverty. Moreover, a home can spell the difference between stable poverty, in which saving and advancement are possible, and grinding poverty, in which one staggers from crisis to crisis... Please note: This is key takeaways and analysis of the book and not the original book. Customer Reviews

This is a Summary and Analysis about Matthew DesmondÃƒÂ¢Ã â ¬Ã â„¢s "Evicted: Poverty and Profit in the American City," a sociological study of evictions, housing, and homelessness in Milwaukee. There are 9 key takeaways that highlight the main ideas of the original book.Eviction is

scary. This is one subject that I am always scared might happen to me and my family. Homelessness is a real and is plaguing not only the US but the world. In this summary, we get to read the 9 key takeaways, following the lives of a number of tenants and landlords in order to examine how access to housing affects the poor. It also includes historical background, statistics, and research findings to provide context for his narratives.This summary book also provides the reader information on the author's style and perspective. This is a good quick read specially for those who don't want to dive in straight into reading all 432 pages of the original book. It will help you with your decision making whether or not to purchase the original book. This is an excellent summary of a brilliant, heartbreaking book.I received a complimentary copy of this book in exchange for my unbiased review.

This is an overview of the actual book ÃƒÂ¢Ã â ¬Ã Å“Evicted.ÃƒÂ¢Ã â ¬Ã Å“ Kind of like an abbreviated Cliff's Notes for the full book. It provides a potential reader enough information regarding this non-fiction bookÃƒÂ¢Ã â ¬Ã â„¢s content to determine if we want to invest the extra money and time to actually buy and read the entire book. "Evicted" is a 'social statement' about the conditions on all sides (liberal/conservative) of the 'housing/homeless' issue in a modern American city (Milwaukee). As such it is highly political in nature, which may impact a readers thoughts on whether they are interested in reading its content. That is why, at .99 cents, this summary is a good value, which is one of the reasons I have personally found ÃƒÂ¢Ã â ¬Ã Å“InstareadÃƒÂ¢Ã â ¬Ã Â• to be a useful service.

Access to housing can have a significant and lasting impact on a personÃƒÂ¢Ã â ¬Ã â„¢s future, in particular, poor people. In a study of evictions, housing and homelessness in Milwaukee, Wisconsin, Michael Desmond looks at how access to housing affects the poor of all races, and proposes some national changes to address the issue.Summary of Evicted by Michael Desmond by Instaread is a comprehensive analysis of DesmondÃƒÂ¢Ã â ¬Ã â„¢s book that offers a potential reader a sneak peek at its content and a hint at its worth. A great resource for busy readers. I received a complimentary copy of this book in exchange for my unbiased review.

Excellent summary of Matthew DesmondÃƒÂ¢Ã â ¬Ã â„¢s sociological study of evictions, housing, and homelessness in Milwaukee. Desmond personalizes the human costs to the poor by presenting the stories of tenants as well as landlords. It's very sad what some of these people have gone through and it really shows just how tenuous life can be for those with few resources. He also shows

how a home, the bedrock of the American family, can make a big difference and bring stability to the poor. It gave me a new appreciation for housing programs that help the poor own a home. I was given this summary in exchange for my honest review.

Useful but dull without examples and anecdotes which give the book vitality and relevance.

Highly recommend

Easy, quick, plenty of in depth analysis to accompany the book. (Read for a book club but having a newborn makes it more difficult to finish anything, much less a book).

This is a summary of Michael Desmond's "Evicted" and is organized into 9 key takeaways that highlight the main ideas of the original book. In addition, there is an analysis of each key takeaway. "Evicted" is a book/study on how housing affects the poor in Milwaukee. Historical information, statistics, and research findings on evictions, housing, and homelessness are also included. This is a subject that I had not thought about previously, and I was glad that this information was brought to my attention. The effects of evictions on families are devastating, and I hope that this crisis can be remedied in the future. I received a free copy of this book in exchange for an honest review.
