Synopsis

A riveting and compelling message underscoring the innate value of life-even a life suddenly altered by a dramatic and unexpected accident. Nathan Petersen was in the fullness of his young childhood-just eight years old. Handsome and smart, Nathan drew people to him with his fun personality and his vibrant, charismatic spirit. His second grade teacher said he would surely be the student body president of his high school someday. Then tragedy struck. Overnight, a near drowning accident would rob him of his ability to make purposeful movements, talk, or even eat through his mouth. The once vibrant spirit would be locked into a physical frame that might never move again. This is Nathan’s story - a story of enduring and overcoming unimaginable pain and complete loss, a story of hope, and above all the story of his new life, the life he chose to live.

A riveting and compelling message underscoring the innate value of lifeÃƒÂ¢Ã â ¬Ã â •even a life suddenly altered by a dramatic and unexpected accident. Nathan Petersen was in the fullness of his young childhoodÃƒÂ¢Ã â ¬Ã â •just eight years old. Handsome and smart, Nathan drew people to him with his fun personality and his vibrant, charismatic spirit. His second grade teacher said he would surely be the student body president of his high school someday. Then tragedy struck. Overnight, a near drowning accident would rob him of his ability to make purposeful movements, talk, or even eat through his mouth. The once vibrant spirit would be locked into a physical frame that might never move again. This is NathanÃƒÂ¢Ã â ¬Ã â„¢s story ÃƒÂ¢Ã â ¬Ã â œ a story of enduring and overcoming unimaginable pain and complete loss, a story of hope, and above all the story of his new life, the life he chose to live.

Wonderful book great story

After reading He Chose Life my face was wet with tears and my heart was full. I too believe that we all have a choice and Nathan clearly choose life! Life is full of storms and it really does make life sweeter to be part of something bigger than ourselves. So many families could learn a thing or two from the Petersen's example of Christ like love!

This is an inspiring story about how a family turned a tragic event into a life changing experience that brought them closer to God and each other. The book is well written and very easy to follow. I especially enjoyed the last three chapters where family members express their feelings for Nathan and each other.

This touched my heart so deeply! I regret that I was not more involved while you lived in St. George. I will always consider you and your family some of my dearest friends. Thank you so much for sharing the intimate details of Nathan's life and all your lives!!!!

I don't read often and I couldn't put this book down! The author did a great job in telling the details and recovery with this accident. It helped me see who Nathan really is and that everyone deserves to be understood for who they are on the inside.

This book hit home in so many ways. Most important, the book shows to the world how one can deal with adversity in a most positive way. I would recommend this book to all no matter what your personal situation may be.

This book is an amazing and inspiring book. The author has shown a story of courage, love, hardship, and encouraging life events. Thank you for this incredible book!!

This book really touched me.....My heart and life will never be the same! Thank you Nathan and Mark!!!! Loved it!
