Synopsis

Abstruse ideas in religion and philosophy are more appealing when expressed as stories and told as parables. This complete collection of stories shows the power of the Indian saint Ramakrishna and his ability to express powerful ideas in simple ways.

Customer Reviews

Great book with universal teachings. Some of the stories are inspiring and true to life. I buy more of his books. Thanks

I had heard good things about this book and finally got around to reading it.Sri Ramakrishna is also known as Ramakrishna Paramhans and was Swami Vivekananda's guru.The book is a selection of stories from the Vedic scriptures and some events from Sri Ramakrishna's life itself. All the stories are written in simple English so that everyone can follow them. However, don't be fooled. Some stories have a deep, deep meaning behind them. You truly enjoy the story once you absorb the actual meaning behind the story and then see in what a simple, clear manner it's been written.The introduction is a speech by Swami Nikhilananda at New York in 1936 on the occasion of Sri Ramakrishna's centenary birth. It is a beautiful address that vividly explains Sri Ramakrishna's life and experiences.I recommend not only reading the book but also the introduction as well for it provides the context for the rest of the book.
