Synopsis

L.C. Hibbett's best selling paranormal fantasy trilogy--now available in a complete set!Magic, Secrets, Love, and Lies.Grace didn't want to be different. Sam didn't want to be a hero. But when a darkness that has been hidden for thousands of years threatens everything that is good in the world, the Shadow Children will do whatever it takes to protect the people they love. Even if it means risking their own lives.Even if it means sacrificing everything...Praise for The Demon-Born Trilogy"OMG!!! This was the BEST and most captivating book I've read in a long time, and I read a lot." -Sunnyles Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |"Would give it ten stars if I could! Absolutely could not put this book down! Wonderfully written, engaging characters, and the story kept me up all night reading until the end." -Nikko M.
Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |"You won't regret it! Captivating. I couldn't put it down... The characters and plot are faultless." -Kindle Reader
Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |" I was not expecting to be so captivated by it. The story had a lot of mystery... also had a lot of heart... I found myself in tears a few times."-E. Lee
Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |" I couldn't put it down, just had to read till the end... different and cool." -ABcd Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |Ã¢Ëœâ |

Customer Reviews

Not a bad story. I like that it was a set

This is a great trilogy and I read all the books when they came out individually, but it’s always a great idea to put them in a box set for new readers. I loved the story line in this series, thought it was very original and different. It has great world building and some well crafted characters. There are a few shockers and surprises thrown in over the series and that always helps to keep it entertaining. Really enjoyed this series and would recommend to others who like a good paranormal fantasy to read. Five stars for this series from me

The Shadow Children Book 1- Such an amazing book. Loved the story and characters we’re so great. Had waited forever to read this book and was not at all disappointed with it. Poor Grace knows she’s demon born but knows almost nothing about who they are or about the other world. She’s liked Sam ever since she’s known him but is hiding what she is. Then finds out her friends are Angels and demon born. When their enemies come after Grace and her family, her friends help them out. The Angels hunt the demon born so her family has to hide their magic. Sam has had feelings for her just as long but wanted her to have a better life than what he did when he realizes what she is. Thrust into a world she really has no clue about at first she’s having to learn a lot. There are some twists to this book but great nonetheless. Absolutely can not wait for the next book. The Shadow City Book 2 - This is the second book in this series and the second one I have read by this author. I absolutely love it. Was seriously hooked from page one and could not put it down. Grace, Sam and the rest of their family and friends are working trying to rescue the rest of the half born from the Silent homes and trying to figure out how to stop their enemy from discovering the ones with the lost powers and killing all the half born. There are some twists and definitely some unexpected things that happen and are revealed. Definitely can not wait for the next book to find out what happens next and how Grace and Sam’s relationship goes. Also how to best figure out how to strengthen their powers together. So excited for the next installment. The Shadow War Book 3- This was the third and last book in this trilogy and I seriously absolutely loved it. It was so amazing. Sam and Grace were so perfect for each other. Yes they had their problems just like anyone else but they held strong and had this really deep connection that no one could break. It was crazy the way

somethings turned out but in a really great way. I had loved Sam and Grace through the entire 3 book story. They were determined to save their friends and family no matter the outcome for them. I voluntarily reviewed an advance reader copy of this trilogy.

Book 1This book was great! It was like a roller-coaster to me.The plot and the world that L.C. Hibbett created captured my heart, that was so vivid to me! For me, first few chapters were very rush and not understandable, as everything was given at almost the same time (i mean situation, introductions), but when you go over it - the READ WAS GREAT!!The style we have here is very beautiful, very accurate.In the plot, I found few surprises that were really unexpected to me, but that made the read even better!characters created here are full - we get to know them from almost all sides, and their relations are true, as in one moment we have part with forgiving and here it's great, as we can't do it in one second - that's a process! Also magnificent.This read was what I was looking for in YA fantasy! A must read for fans!Highly recommended!Book 2This is not a story that can be read as standalone - I also recommend to read books in one shot, as there are a lot of characters.I had a problem with getting into the action as 1. I had a break after book 2 (bad idea, there is no reminder inside the book - action just goes); 2. This book was over talked to me.The truth was unrevealed and there was a TWIST that changes our knowledge from previous books - I really enjoyed this. Can Demon-Born children rescue the world? Join them in the third book of their adventure!Book 3It's book 2 in the series. You MUST read book 1. And I advise to read them at once.Their action starts almost from the first page not like in book 1.Once again I fell in love with main characters - Grace and Sam! All characters were well-developed, no one was black or white.The plot was well created and not obvious with few turns of action.YA must read

I love this box set. You get the full trilogy and believe you will want the full one as you want be able to stop reading once you finish the first one and will crave for more in the series. It is an interesting concept where all these people form family ties and are ready to do anything for each other as they are being hunted. They need to remain hidden. They find a place to leave where they meet others like them and learn to fight. I love the dynamics between the various characters.

Okay so I picked this up as it's on Kindle unlimited, so FREE WAHOO!! I have to say I freaking love L.C. Hibbett! I come to stalk authors who draw me into the world of reading and just make me forget. I could NOT put this down for the life of me!!!Suffice to say I am now a stalker of L.C. Hibbett!! *Insert s manical laugh*
