Synopsis

"Nursing school did not adequately prepare me for this role" and "Why didn’t anyone tell me about this when I was a student?" are commonly heard complaints from new nurses during their first two "rite of passage" years following graduation. But this transition to professional practiceÃ¢Ë†Å¡Ã¢â Â¥fraught with challenges, anxiety, triumphs, and tearsÃ¢Ë†Å¡Ã¢â Â¥does not have to be so difficult. The Nurse Professional helps novices prepare for their transition into a "real world" role from being a student through graduation, NCLEX success, job search, first job, and beyond. It is the only book to cover all of the steps that new nurses must take to ensure a smooth transition into the professional role. The author is a nurse educator and mentor with extensive experience in recruiting and orienting nurses. Dr. Hunt is also co-founder of the Nurse Advocacy Forum, providing advocacy, support, networking, professional development, leadership, and mentoring to students and new graduate nurses. She offers sound advice regarding the most current issues facing new nurses and practical strategies for obtaining a job of one’s choice, describes steps to take well before graduation to ensure a smooth transition to professional practice, and addresses the various indicators of academic achievement that are required for employment at some nursing facilities. She also discusses the benefits of externships, internships, professional development, and networking, how to develop a winning portfolio, and how to successfully transition into professional practice. This book provides information on workplace bullying and how to deal with it; the importance of self-care, self-advocacy, and networking; writing a rÃ¢Ë†Å¡ÃƒÂ sumÃ¢Ë†Å¡ÃƒÂ ; interview skills; and much more. "Top 10 Tips" in each chapter concisely highlight important topics. Samples of useful forms and documents are available in chapter appendices. A PowerPoint presentation and templates for role play/simulation scenarios for faculty use are also available. Key Features: "Top 10 Tips" in chapters concisely highlight important topics Samples of useful forms and documents are available in chapter appendices Delivers specific, practical strategies and exercises for a successful transition and entry into practice Written by an experienced nurse/educator and nurse mentor who has extensive experience regarding how new nurses transition into practice

Customer Reviews

Deborah Dolan Hunt, PhD, MS, RN, is associate professor of nursing and chair of the master's program at the College of New Rochelle, New Rochelle, New York. She has spent most of her career in nursing education, initially in staff development and currently in an academic setting. She is currently serving as one of the coleads for the New York State Future of Nursing's Action Coalition in the Northern Metropolitan Region and is a member of the advisory board for the Advance Healthcare Network. Dr. Hunt is also a member of Community Board 10 in the Bronx and the chairperson of its health and human services committee. She is a fellow of the New York Academy of Medicine and an ambassador and merit reviewer for the Patient Centered Outcomes Research Institute. In addition, Dr. Hunt is a member of Sigma Theta Tau International Honor Society of Nursing and has received the Zeta Omega research award for her doctoral dissertation. She was also the Sigma Theta Tau Zeta Omega Scholar from 2010 to 2011. Her research interests concern nursing turnover, job satisfaction, leadership, patient outcomes, and new nurse transition. Dr. Hunt's scholarly pursuits and teaching specialties include nursing education, the history of nursing, medical-surgical nursing, and transcultural nursing. She is the author of The New Nurse Educator, Second Edition (Springer Publishing, 2018) and The Nurse Professional: Leveraging Your Education for Transition Into Practice (Springer Publishing, 2014). Dr. Hunt has published many articles and has presented locally, nationally, and globally. Contents

This book is rich with ideas issue and struggle with basic issues that TODAY RN BSN 5 Year Program graduating in 2017 and 2018 with honors very often. The new nursing program don't leave there student knows where advisors are placement program, recruiters from top hospitals offer a plethora of nursing careers you can write your ticket or continue on in school.

This is a "must have" book for all student nurses. A wonderful resource for all new nurses as they transition into practice.

This is an easy to read book with tons of useful information.
